# 11/05 from 2016-02-22

Mr. Dana Qashani  
Executive Chairman  
Medya Diagnostic Center

Dear Mr. Dana Qashani,

Europe Business Assembly (EBA), Oxford, UK expresses our appreciation and respect.

Members and partners of EBA – more than 50 000 representatives from 46 countries (companies, corporations, cities and municipalities, CEOs of Special Economic and Free Zones, state investment commissions and regulative bodies, professional and academic communities, trade chambers) are interested in business cooperation and partnership with Medya Diagnostic Center as dynamically developing regional company.

More than 15 years we have been working to develop networking and cooperation; to attract investment; to boost status and prestige of the best regional companies nationally and internationally.

International Expert Panel of ‘The Prime Business Destinations’ programme have assessed investment and innovative potential of Medya Diagnostic Center; management, technologies and services’ quality and marked them as Level ‘E’ – Emerging Significant Opportunities.

EBA is glad to invite you to participate to our priority investment programme ‘The Prime Business Destinations’ and to award Medya Diagnostic Center with International Flag and Certificate of Investment and Innovative Attractiveness ‘Flag of Europe’, as well as the distinctive quality mark and license ‘Prime Quality Standard’.

EBA hopes for our cooperation and would be glad to facilitate and promote your business activities nationally and globally. The distinctive quality mark ‘Prime Quality Standard’ witnesses the sustainable and solid professional reputation; it serves as the hallmark for consumers, business partners and investors.

Within the license validity EBA bears the responsibility to organize the marketing and promotional support to the company in the EBA partner countries; to assign it the right to use brand and attributes ‘Prime Quality Standard’ and ‘Flag of Europe’; to recommend Medya Diagnostic Center as a supplier of quality and competitive services and technologies.

EBA would like to invite Medya Diagnostic Center to present your achievements, and to get attributes: ‘Flag of Europe’ and the quality mark ‘Prime Quality Standard’ at the International Investment Summit ‘Achievements Forum - 2016’ which will take place in Institute of Directors, London, UK on 22 March, 2016.

In case the personal presence seems impossible, there is a possibility to participate in absentia (distant participation).
